ISD Welcomes Visiting ASL Specialist

Tina Wix, a postgraduate student at the University of Arizona, will be visiting ISD the week of September 7th - 11th. Tina's visit will help her to fulfill course requirements for her studies with Dr. Sam Supalla. She will be shadowing ISD's ASL instructors and Deaf Studies Coordinator. Tina will also offer dance performances for students during her visit (see calendar).

Tina has recently accepted a position as Sign Language Specialist at the Arizona School for the Deaf and Blind. ISD wishes Tina well in her new job, and hopes all goes well with her continuing studies.

BIBI Thought for the Week:

"The more respect you show for Deaf people and their precious inheritance, ASL, the more welcome you will be."

High School Happenings

ISD's High School Department welcomes three new students to the ISD community:

Carlina Dray is a sophomore from the Ft. Wayne area. She is the cousin of 1988 ISD graduate Matt Dray.

Marvin Cooper, a sophomore, and his sister **Jenny Cooper**, freshman, arrived in Indiana from Maryland a few weeks ago. Their mother, Mrs. Cooper, is now teaching as a substitute in the Elementary Department.

Welcome to ISD!

Another student has returned to ISD:

Jason Tinch left a few years ago to attend school at home. He is back now to finish his High School career at ISD.

Welcome back Jason!

New 0 to 3 Program Takes Off

The ISD Family Service Center recently announced details of its new 0 to 3 Program. Glenda Zmijewski and Diane Hazel Jones will administer the program's Family and Community Based program. Louise Fitzpatrick will oversee the Center Based program.

The Program's goal is "to provide natural language acquisition and enculturation by providing a nurturing, safe, and stimulating environment mediated by people using ASL".

The Center Based program currently serves five children ranging in age from 18 months through 2 1/2 years. The Family and Community Based Program is in the process of contacting 58 families from throughout the state who may choose to participate in the program.

The 0 to 3 program is searching for "cultural" name. Ideas include: *Images*, *Beginnings*, *Clerc's Kids*, and *Connections*. Your ideas may be submitted to Glenda Zmijewski or Diane Hazel Jones at extension #195, or via Campus Mail.
